

SHREYA DANDEKAR

Web Developer | Front End Developer

+91 7741833858 | shreya.dandekar1996@gmail.com | Mumbai

PROFESSIONAL SUMMARY

Motivated and detail-oriented Front End Web Developer with hands-on experience in HTML5, CSS3, JavaScript, React.js, and responsive web design. Skilled in creating user-friendly, visually appealing, and high-performance websites. Experienced with CSS frameworks including Bootstrap and Tailwind CSS, cross-browser compatibility, and mobile-first development. Strong problem-solving abilities with a commitment to delivering quality digital solutions.

WORK EXPERIENCE

Web Developer | Mentation Solutions Pvt. Ltd.

Jun 2023 – May 2025

- Built and maintained responsive, mobile-friendly web pages using HTML5, CSS3, and JavaScript.
- Developed user-friendly website interfaces with a focus on UX and visual appeal.
- Implemented cross-browser compatible web pages ensuring consistent rendering across major browsers.
- Utilized CSS frameworks Bootstrap and Tailwind CSS to accelerate front-end development.
- Built interactive UI components using React.js, improving page interactivity and performance.
- Performed website performance optimization and debugging to reduce load times and resolve bugs.
- Collaborated with team members using strong analytical and problem-solving skills.

Front End Developer Intern | Mudra Web Solutions

Dec 2020 – Jan 2021

- Developed and implemented a responsive online membership portal to streamline user access to client website services.
- Collaborated cross-functionally to gather requirements, design wireframes, and build a responsive web application.
- Integrated secure user authentication and authorization mechanisms to protect sensitive user data.
- Implemented membership management features including user registration, subscription management, and account upgrades.
- Conducted rigorous testing and debugging, ensuring a stable and user-friendly final product.
